WC chasing RR through a pipe. S-cactus, desert, sand dunes, pipe, empty cans 0:00	WC looked hungry, tongue was hanging out. Pipe got smaller and smaller.	RR looked happy, not aware 0:18
WC stopped. Confused about shrinking. Pipe was smaller at the end. 0:19	WC whistled, waved/signaled for RR to stop and go back through the pipe, scratched his head and noticed large objects	RR came back, not paying attention, happy 0:38
WC & RR ran back through the pipe. Pipe was getting bigger. 0:39	WC gave RR a head start	RR continued running 0:44
WC & RR came out of the pipe. RR was enormous. 0:45	WC excited, finally caught RR, going to eat him. Had fork, knife, bib, started to use utensils, after hugging RR's leg and realizing he was so large. Held up sign, looked defeated.	RR wondered what happened when he bent down and looked at coyote playfully. He was oblivious. He made noise-beep, beep..
